DESCRIBE WORK

This application for permit may be subject to the City of North Bend Floodplain Regulations (See Floodplain Development Permit)
 Is the site located in a specific flood hazard area? Yes No

NOTICE TO APPLICANT

It is the responsibility of the permittee to obtain the required inspections, including final inspection. Failure to obtain City of North Bend Building Department inspection and approval for any required inspections, and failure to obtain a final inspection and approval of the work performed, may invalidate this permit. This may necessitate the removal of some or all construction materials at the owners expense in order to perform the required inspections. In addition, this may require the re-submittal of the building permit application and all related fees and expenses.

The following inspections are required by Section 109 of the International Building Code and by local Ordinance:

1. FOOTINGS. 2. FOUNDATION - When forms are in place but prior to placement of any concrete. 3. FOUNDATION & ROOF DRAINS - Prior to backfilling. 4. CONCRETE SLAB, GROUNDWORK - When all service equipment & piping is in place but prior to placement of any concrete. 5. UNDERFLOOR. 6. ROOF NAILING. 7. SHEER (Before Wall Covering).
8. FRAMING - After all framing, bracing, blocking, piping, wiring, and ducting are complete but prior to covering.
9. INSULATION. 10. WALLBOARD. 11. FINAL, When work is completed, but prior to occupancy.

This permit becomes void if the work or construction authorized by this permit is not commenced within 180 days of the issuance of this permit, or if work or construction is suspended or abandoned for 180 days at any time after work commenced.

This permit is not valid unless all permit fees have been paid in full.

All work shall be done in accordance with the approved plans except where such approval is in conflict with other codes. The approved plans shall not be changed or modified without the prior approval of the City of North Bend Building Official.

For new commercial and multi-family, after work has been completed and the final inspection performed and approved, the Permittee shall provide a compact disc (CD) to the Building Department, complying with the requirements of NBMC 20.02.006. A Certificate of Occupancy shall not be issued until this CD is received and the content verified.
